INTEREST AND EDUCATION.

Scenes from all parts of the world brought before you with life motion. The moving picture is one of the greatest achievements of the age. By means of it scenes from all parts of the world are brought before you just as they occurred, with every motion true to life. This year, in addition, Lyman H. Howe shows these moving pictures in the original colors. The people as they pass before you, the landscape, the houses and everything else are shown true in every detail, every bit of color transferred to the canvas. The exhibition this year embraces most interesting scenes from all parts of the world. You may read about them and get a smattering idea of how momentous occurrences appeared, but here they are before you in life motion. The exhibition will be given at the Opera-house on Friday, April 8th. Seats on sale, Wednesday morning, at Ray's.

The Filipino colony at the St. Louis World's Fair is to be served with dog meat as a daily diet, and officials at the city pound have agreed to furnish the dogs.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale by Henry W. Ray, Postoffice Drugstore.

The Medicine That Cures.

RENO, ORE., May 11, 1903.

Wine of Cardui absolutely does cure sick women. I consider it the most valuable medicine, and it is the cheapest cure any sick woman can use, as it takes as a rule, only a few bottles to effect a complete and lasting cure. I especially recommend it for uterine or ovarian troubles, inflammation and ulceration, painful, profuse or scanty menstruation and it is a most valuable adjunct to use during the gestative period, insuring easy childbirth and speedy recovery.

It should have a place in every home as it is a true friend to wife, mother and maiden and I most heartily recommend it.

Dr. E. Buchanan
WRITER AND LECTURER.

Dr. Mrs. Buchanan is an authority on the science of medicine and certainly appreciates the great work physicians are doing for the relief of sufferers. But this does not deter her from expressing her views in praise of Wine of Cardui.

Mrs. Buchanan's high intelligence and long and successful experience render her advice of great value. Wine of Cardui regulates menstruation, cures bearing-down pains and relieves suffering women of the pain and misery to which their sex is heir. You have the word of Dr. Buchanan and thousands of other eminent women that Wine of Cardui will completely cure you.

All druggists sell \$1.00 bottles Wine of Cardui.

Mrs. George Diener of Market street returned yesterday from Columbus, O., where she had spent several weeks with her sister.

A stranger, who gave his name as Walter Dudley, and representing himself to be a nephew of the late Bishop Dudley, was in the city yesterday. While he had the address of a gentleman he was on the hobo order, and approached Doctor McCready—in vulgar parlance, with a song and dance—but the Doctor, while one of the most considerate and sympathetic men in the universe, is also wise when it comes to picking out frauds and dead beats. Further than the assurance of something to eat and a place to sleep, the fellow did not succeed in bilking the Doctor.
